Rules & Regulations:

- * Vendors must supply his/her own tables, chairs, canopies, trash receptacles, electric and other necessary equipment.
- * GLD/HSR will reserves the right to ask you to relocate an item within your booth if it blocks the view of another vendor.
- * Vendor is responsible for cleanup in and around approximately 10' of area.
- * Vendor agrees to exhibit and sale in assigned area only.
- * Vendor will setup and dismantle at scheduled times.
- * Vendor must comply with all local city, state and health department rules and regulations regarding the sale of products.
- * Vendors will be given a limited number of passes for their workers.
- * Vendors should be prepared to have something to weight down their tents in case of windy conditions. We will not be able to provide weights.
- * Vendors may also want to look into motel rooms now because they are already starting to book rooms for the event.

We would also like to thank you for helping us make last year's event as successful as it was. We're looking for 2008 to be bigger and better. Line-up of awesome events and our media partners The Hog & WIIL Rock radio Stations, Thunder Roads Magazine, Free Riders Press, Gerry's Garage Talk, WKRS 1220 FM, Sunday Thunder & Racine-Extreme will help us generate excitement for an awesome turnout. Thank you for your support!
